HOW WE STARTED

The Music Box Collective was founded by owner & veteran DJ, Aaron. After a decade performing across the Gold Coast, he not only built a reputation as a trusted entertainer, but developed an eye for identifying and collaborating with the very best performers the Coast has to offer.

With a passion for weddings, Aaron created The Music Box Collective to deliver entertainment that doesn't just meet the moment — but elevates it.

"My wedding day was the best day of my life, and our entertainment played a huge part in that. I believe the best memories are made on the dance floor, and it's my pleasure to help create those moments for you."
